

REMARKS

In reply to the Office Action of December 28, 2007, Applicant submits the following remarks. Claims 1-2, 5-8, 11-20, 22-30, and 41-58 are pending.

The Examiner provisionally rejected claims 1-2, 5-8, 11-20, 22-30, and 41-58 on the ground of obviousness-type double patenting as being unpatentable over certain claims in USSN 10/215,594 and 10/232,265. Applicant submits herewith a terminal disclaimer for each of USSN 10/215,594 and 10/232,265 to obviate this rejection, so the rejection should be withdrawn.

Applicants believe the application is in condition for allowance, and request such action.

Respectfully submitted,

Date: March 27, 2008
